

Ons visie & Missie

Kwagga Jag en Avontuur het ontstaan weens die behoefte om toegewyde status te behou by SAPD se nuwe vuurwapenwet 63 van 2000. Die meeste jagters het 'n plekkie gesoek om meer gereeld te skiet waar dit veilig is. Petrie Smith het sy grond beskikbaar gestel nadat hy die baan aanvanklik begin bou het meer as vier jaar gelede [voor 2012]. Van die gereelde jagters en wapenliefhebbers het dit raak gesien as 'n geleentheid en besluit om die klub tot stand te bring, sodat meer mense die voordeel daarvan kan geniet, en dit is deur plaaslike lede verwelkom.

Tans is die ledetal voordurend besig om te groei en ledegeld is van toepassing op die hele gesin om sodoende ook blootstelling aan die res van die familie en juniors te bied.

Kwagga Jag lede het toegewyd geraak dat sy lede in skietkompetisies begin presteer het op streek - en nasionale vlak. Voornemende lede kan uitsien na 'n plaasskietbaan wat soos jou eie plek voel. Die braaigeriewe laat dit voel soos 'n dagkamp met 'n kinder - en volwasse skietbaan. Daar is 'n gongbaan van 85m tot 850m.

Enige besoeker met vuurwapens is welkom solank hy veiligheid handhaaf en die klubreëls nagekom word, soos aangedui op die skietpunt.

Kwagga Hunting and Adventure originated from the need to maintain dedicated status with the SAPS in regards to the new firearm legislation 63 of 2000. More hunters were looking for a more suitable and safe "place" where they can shoot. Thus, Petrie Smith made some of his property available for this purpose, after initially started building the range more than four years ago [2012]. Some regular hunters and firearm enthusiasts recognized this as an opportunity, and as a result, the Kwagga Hunt & Adventure Club was established.

Currently membership numbers are constantly increasing and membership fees are applicable to the rest of the family in the hope for more exposure for the rest of the family members as well as juniors.

Kwagga members have become more dedicated, seeing as some started competing on a local, provincial - as well as on a national level. Prospective members can look forward to a shooting range that feels like home! Barbeque facilities give the feeling of day camp with a range for both children and adults. There is a "Gong - range" of 85m up until 850m.

Any visitor with a firearm (s) is most welcome, as long as safety precautions, as well as club rules are adhered to, at all times when present at/ on the shooting range.

Welkom by ons klub/ Welcome to our club
