

Featured Farms

A MUST SEE PROPERTY

Smallholding on top of Piketberg Mountain that is perfect for small scale farming. The smallholding has a small orchard and strong boreholes to do whatever you please. Go off the grid and provide for yourself or develop it as a fruit or citrus farm. This can also be a perfect lifestyle farm views of the mountain and the valley. Establish it as a guest farm eco tourism property by converting/renovating the labours cottage or flatlet. The possibilities are endless.

[AGF0289 Lifestyle Olive Ecotourism Guest Farm](#)

This lifestyle guest olive grove ecotourism farm is located close to Vanwyksdorp at the foot of the Rooiberg.

This property was chosen 4 years ago because of its pristine position with spectacular views and plenty of water. During the past 4 years it has been transformed from a rundown farm to a jewel of the Klein Karoo. Thought has gone into the renovation and building of the houses...
